No Greater Love

Key: G

G D G
There is no greater love than this
C D
The Saviour dying for my sin
Em C D
The Blameless One takes the punishment for me
Em C D
His life the ransom, that I might live
G G/B C
The 'Great I Am', surrenders all
Am7 D
Endures the cross, the shame & scorn
G G/B C
He pays the price, His precious blood
Em D G
This is the cost of redeeming love

A perfect sacrifice is made,
The spotless Lamb of God is slain
The whole earth trembles, the veil is torn in two
His body broken, lies in the tomb
But death and hell bow to His Name
This love is stronger than the grave
Behold the Lord, the Risen One!
This is the power of redeeming love

No condemnation, I am free!
Rescued for all eternity
My name is pardoned, my sinful soul is saved
A new creation, I'm born again!
Gone are the stains of my disgrace
I'm clothed in robes of righteousness
Sealed with the Spirit from above
This is the work of redeeming love

Verse 4
This is an all surpassing love
The father gave His only Son
His Name is Jesus, the firstborn from the dead
The King of Glory, my Living Head
One day I'll see Him face to face
The Lord of mercy, truth & grace
B7 Em Am
Before His throne, I'll take my place
Em D G
To ever sing my Redeemer's praise!
